

**Camp Fire USA™**  
**CENTRAL PUGET SOUND COUNCIL**

# ADOPT A GROUP PROJECT

To earn the emblem, do all the steps.

Date  
 Completed:

\_\_\_\_\_ Choose a new group to mentor. The Program Manager for your area can help you with this step.

\_\_\_\_\_ Assist with the new group's first meeting in one of these ways:

Option I - Plan and run the new group's first meeting. Demonstrate an opening and closing ceremony including the new members. Do a program activity with the new group, while the new leader team observes the meeting.

Option II - Meet with the new leaders and decide how you will assist them with their first meeting. Provide the assistance they need. You might teach songs, do a flag ceremony, tell about what you do in Camp Fire, explain the Camp Fire uniform, explain how to earn emblems or beads, or teach the new group about Camp Fire traditions.

\_\_\_\_\_ Talk with the new Leaders after the first meeting and decide together if they need your help with a second meeting. If so, help them.

\_\_\_\_\_ Teach the new group some Camp Fire traditions.

\_\_\_\_\_ With the new group, identify some activities they would like to do in Camp Fire.

\_\_\_\_\_ Plan a future event to do together, so that you can see how the new group is doing at a later time. You might go with them to their first candy rally, go to a Council or program area event together, plan a party, etc.

\_\_\_\_\_ Evaluate how you were able to help the new group and whether this was a valuable experience for your group and the new group.
