Be a Camp Fire School Representative

Get in on the fun! Working together is what makes Camp Fire an exciting experience. Be a Camp Fire School Representative! No prior experience is required.

The North Branch is looking for volunteers who want an exciting and rewarding experience. You will develop and maintain contact with key school resources, distribute flyers at schools, arrange for Camp Fire displays at school open house and be available to answer questions about Camp Fire from adults at assigned schools.

If you can help, please contact Lynda Llavore, East/North Regional Director at 206 461 8550, or e-mail her at lynda-l@campfire-usa.org.

Let's Get Together

Your local Leaders' Meeting is a great place to get started and keep your enthusiasm high. At the meeting you will be informed about all up-coming local, Branch, and Council events, so you can decide which activities your group would like to participate in.

Each month leaders get together to share their ideas, group activities, plan local events or chat with other leaders with a similar age group and share their successes. By attending the Leaders' Meetings, new leaders can benefit from the more "experienced" leader who has "been there, done that." For the experienced leaders, it's a time to be a mentor and pass on their enthusiasm to light the Wohelo flame and help carry on Camp Fire traditions.

So be sure to mark your calendars for the Leaders' Association Meeting dates in your area and attend these important, informative meetings.

Thank You! Thank You! Thank You!

Awesome! This is the word that comes to mind when we look at the total number of day camp participants this year. Enrollment is higher than last year and the ACA visit to Woodland Park was a success. This is a testimony to the spirit and commitment of the North Branch volunteers. Special thanks to Registrars Cay Shoemake and Jeannette U, and Site Directors Allison Soules and Erin Ziegler, Karen Aoyama, Pam Love and Mary Gallagher, plus all of you who gave your time, skills and hard work to make it another great year for the North Branch day camps.

Parading Our Camp Fire Pride!

On July 23, 2005 our group participated in the West Seattle American Legion Grand Parade, part of the Hi-Yu Summer Festival. Since the charter of American Legion Post #160 on March 22, 1922, the Legion has hosted annual parades. The Legion was formed to support veterans and their families.

The members are seen in this picture with two of the legendary SeaFair pirates.

From left to right the girls are Alexa Licklitter, Kyndahl Jones, Anna Berti, Mirella Galang, and Sabrina Galang.

West Seattle Adventure Group Leader

Lost and Found

Every year we end up with a box full of items left at program weekend events at Camp Sealth, at local day camps, and at a variety of other Camp Fire activities. Now is the time to claim what is yours! Among the pile of items are coats and sweatshirts, flashlights, sleeping bags, water bottles and clothes. We can only store these for so long and then we need to make room for things left at this year's events.

Please stop by and see if any of these items belong to you or a family member or call the office at 206 461 8550 and we will check to see if we have what you are looking for. Anything not claimed by October 31st will be donated to a local charity,
